~ Immersive Experiences

At Athaang, the days move with the tide. Wake to the sound of waves and the first light over the Arabian Sea, best enjoyed with chai on your balcony. Wander down to Anjarle's quiet beach, explore Suvarnadurg Fort, or visit the cliffside Shree Keshavraj Mandir. Slow afternoons are for board games in the living room, a swim in the plunge pool, or lingering over homestyle seafood curries. As the sun begins to dip, settle into the garden for high tea, or light up the barbecue under open skies as the coastline glows gold.

~ Culinary Delights

Meals at Athaang celebrate the flavours of the coast—fresh, homely, and always shared with a view. Expect a mix of comforting regional favourites like solkadhi, bangda curry, and ghavne, alongside familiar North Indian, Chinese, and continental staples. Morning breakfasts are best enjoyed on the sea-facing sit-outs, while high tea and evening snacks flow easily to shaded verandas and garden corners. Barbecue nights add a lively touch, with grills and laughter carrying into the open air. Whether it's a quiet meal for two or a family table filled with variety, dining here is rooted in freshness, warmth, and the easy generosity of a homestay in Dapoli.
