📍 KOLKATA

A Private Villa Steeped in Kolkata's Spirit

~ About Hermitage Villa, Kolkata

Tucked away in East Kolkata's leafy neighbourhoods, Hermitage Villa is a 5-bedroom home where classical European architecture meets the warmth of a Bengali household. The heritage facade opens into sun-drenched courtyards, arched verandahs, and rooms lined with antique furniture and family stories. With a private swimming pool, jacuzzi, and elegant design details, the villa offers a stay that blends comfort, charm, and leisurely living.

~ Immersive Experiences

Every corner of Hermitage Villa invites you to pause—and savour. Start your mornings with breakfast served under rustling trees, as the scent of earth and sunlight filters through. Take a barefoot stroll across the dew-soft lawns or slip into the private jacuzzi as the skies shift from gold to blue.

In the afternoon, lounge by the pool with a cup of cha, watching the breeze play through the foliage. Come evening, gather your group for a cosy BBQ night in the garden—where conversations stretch as long as the fire glows. Whether it's a quiet moment alone or a shared one with loved ones, the villa's serene rhythm gently draws you back to what matters.

Meals at Hermitage Villa bring together Bengali flavours and slow-living rituals. Enjoy a traditional breakfast with luchi-aloor torkari, savour a garden high tea with puffs and mishti, or gather for a dinner of kosha mangsho and basanti pulao. Our home-style meals are crafted with fresh, seasonal produce and best enjoyed with family or friends.
