NAUKUCHIATAL LAND OF MYTHS, NATURE, AND THE 9-CORNERED LAKE

There is a sense of the ethereal and the ephemeral. Naukuchiatal, home to the eponymous mystical, spring-fed, 9-cornered Himalayan lake, is a pristine cocoon for all things natural. Dense oak and pine forests play residence to evasive fauna and exquisite flora, while roads are dotted with idyllic homes that seem to have been lifted from a fairytale. Here there is a sense of being that is, at once, both lingering and fleeting. A sanctuary for the mindful.
