SPIRITUAL AND NATURAL RETREATS

Diu is home to sacred temples, mystical caves and diverse wildlife, making it a destination for spiritual seekers and nature lovers alike.

DIU FORT – A STRONGHOLD OF THE PAST

One of the most iconic landmarks of Diu, the Diu Fort was built in 1535 by the Portuguese, serving as a military bastion to defend against invaders. With massive stone walls, towering bastions and intricate underground escape tunnels, the fort offers a glimpse into centuries of naval warfare. Guests can walk along its cannon-lined ramparts, explore its old barracks and secret chambers and admire the breathtaking view of the Arabian Sea from its high vantage point.

FORTIM-DO-MAR – THE SEA FORTRESS

Standing isolated in the middle of the Arabian Sea, Fortim-do-Mar is one of the most fascinating remnants of Diu's colonial past. Also known as the Sea Fort, this mid-sea structure once served as a high-security prison, holding captives and rebels under Portuguese rule. Guests can take a boat ride to get a closer look at this fortress, exploring its ancient stone walls and lighthouse while learning about its intriguing history of battles, prisoners and naval supremacy.

NAGOA BEACH – THE JEWEL OF DIU

Nagoa Beach is the most famous and picturesque beach in Diu, known for its crescent-shaped shoreline, soft sands and swaying palm trees. Guests can enjoy a leisurely walk along the coast, soak in the warm tropical sun, or simply relax by the shore with refreshing coconut water in hand.

NAIDA CAVES – A SURREAL NATURAL WONDER

The Naida Caves are an intricate network of sandstone formations, sunlit tunnels and winding pathways. These caves, formed by centuries of wind and water erosion, provide an otherworldly setting for exploration and photography.

GANGESHWAR MAHADEV TEMPLE – WHERE THE WAVES WORSHIP

This coastal Shiva temple is known for its five ancient lingams, which are continuously washed by the ocean waves, creating a mesmerizing natural spectacle.
