THE GIR SAFARI

The only place in the world where Asiatic Lions can be spotted roaming free in the wild, Gir National Park and Wildlife Sanctuary is a bucket list safari experience for any wildlife lover. Gir Serai is the only hotel in the park that has two private safari vehicles (open jeeps) and experienced drivers who know the jungle's secrets.

DISCOVER JUNAGADH AND GIR SOMNATH

Gir Serai is located at the centre of two important destinations of the Junagadh and Gir Somnath districts of Gujarat; the city of Junagadh and Somnath Temple. Guests who do the Gir safari can easily pack in visits to these destinations.

GIR SERAI NATURE TRAIL

This easygoing outdoors experience at Gir Serai is a great way to discover the splendid biodiversity in our own backyard. The hotel grounds have plenty of little (and big) wonders to marvel at, thanks to Hiran River flowing right opposite and India's oldest wildlife sanctuaries at close proximity.

CANDLELIGHT DINNER BY POOL SIDE

Dining under the stars by the pool side on the edge of a heritage wildlife sanctuary is an experience that you cannot pass up. It's the perfect, rustic setting for a proposal, an anniversary dinner or just a no-reasons celebration.
