The 14 Luxury Villas:

Each of our Villas are named after an Indian flower - bearing tree. The vibrant interiors are in the colour of the flower of that villa - tree. Natural stone has been used extensively on the floor and ceiling. Large windows allow for abundant natural light and a beautiful view of the surrounding hills. Particular attention has been paid to the minutest detail - be it the flower inlay on the floor, the intricate 'thekri' (mirror) work on the domes or the custom-made accessories

06 Luxury Garden & Spa Villas:

Spread over different levels across the Resort, these Villas have a separate Living Room, a domed Bed Room, a large closet with ample space for baggage and an equally large domed bathroom which looks onto greens on all sides. The Villa has private lawns in the front and at the back, an outdoor lip shower, a sunken tub and an outdoor couples spa. Each Villa offers private space of over 2,200 sq.ft.
