

The Tree of Life Vanvilas Riveredge, Corbett

Imagine many acres of open fields all around ; imagine a lush green, dense forest as a backdrop; imagine a river running in front of you; imagine your very private and luxurious accommodation with just six rooms on the banks of this river and a caring team to attend; imagine being in the heart of India's most famous National Park; imagine The Tree of Life VanVilas River Edge, Corbett National Park !

For wild life and nature lovers, a visit to the Corbett National Park is a must. You also have the possibility of seeing herds of wild elephants; the five main types of deer; crocodiles; wild boars; sloth bears; and the elusive leopard and tiger. Established in 1936, it today spreads over 520 square kilometers. Forest covers almost 70% of the Park, with around 110 trees species, 50 species of mammals, 520 bird species and 25 reptile species. Spend time in the natural beauty of the National Park or then just relax and unwind in the natural surrounds and comfort of the Tree of Life VanVilas River Edge, Corbett National Park.

The Accommodation

1 Standard Riverview Room

5 Premium Hideaway Rooms

Grass forms the largest group of plant species in Corbett and there are some 70 different types of grasses. Each of our rooms has an interesting name after the main types of grass in Corbett.

A cobbled pathway leads to the two Premier Riverview Rooms, which are in a 100 years old original Kumaoni home in natural stone, redone for your comfort. The ground and first floor airy and bright rooms look onto the beautiful river and the dense forest behind. Each comes with a large private sit out with the most amazing natural views in front. Behind these, a spiral staircase leads you to a wide corridor on the first floor with the four Premier Hideaway Rooms, which overlook large open fields. All our rooms are non smoking and come with a natural wood finish, four poster beds, sink-in 12 inches mattresses, 44 inches flat screen television, air conditioning (heating and cooling) Very large, well lit and well appointed bathrooms add to your comfort.

Dining:

Your Plan includes five meal services – ‘chotta haazri’ (morning tea); breakfast; lunch (3 course menu); evening tea; dinner (4 course menu). We do not do buffets and create each meal as a different experience for you. Meals are served at **The Wild Grass Café** – cheerful, well lit, with charming outdoor seating options and overlooking The Gazebo.

Breakfast is served from 0800 to 1000 hrs

Lunch from 1230 to 1430 hrs

Dinner from 1930 to 2200 hrs.

We have limited room service options at a supplement charge.

For the more adventurous, how about a meal **Under The Sky** – a stunning roof top space with casual and comfortable seating and the entire Corbett National Park around you ! And in the late evenings, the chirping of the birds returning to nest, the call of the animals as they prepare for the night add to the charm of your meal (small supplements apply). Sigris and blankets add to the warmth in winters.

Getting There:

New Delhi is 280 kms (5 hours) drive from Corbett National Park. The closest airport is Pantnagar (84 kms) and Ramnagar Railway Station is a convenient 15 minutes drive from the property.

Facilities:

Chai & More - Have that unfinished book, or just want to spend some time absorbing the silence and the outdoors ? No better place than Chai & More where we serve you tea made on an open fire, in traditional style !

Wild Grass Lounge is that ideal place to enjoy some indoor games, a game of Pool or then just lounge around in the comfort of the sink-in sofas.

Under The Mango Tree with hammocks, is the inviting crystal blue water of the swimming pool.
