

RISHIKESH RESORT & SPA  
UTTARAKHAND

WHERE TIMELESS EXPERIENCES MEET UNMATCHED HOSPITALITY

## INTRODUCTION

A life by The River, blissful and blessed awaits you just 30 kilometres away from the world renowned spiritual and yoga capital of Rishikesh, near an introverted gentle village called Singthali.

Beneath happy clouds, by the side of the river-noblesse Ganga and right in the lap of the Shivalik mountains is this luxury nest of utter, gentle calm. Here life takes a restful pause, to meditate on things far more profound than the worldly.

The road to the stepped-resort passes through the Rajaji forest, ravines, hill-posts, suspension bridges, ashrams & hermitage schools of Rishikesh. This is a place that drew even the legendary Beatles in the 60's, at the peak of their flower years.
