WHERE TIMELESS EXPERIENCES MEET UNMATCHED HOSPITALITY

INTRODUCTION

Central to all things that matter in Tirupati and within easy proximity to Tirumala hills, Taj Tirupati augurs well for business or leisure. The conveniently located hotel has a distinctive design and unmissable views of the hills. Luxurious and fluid, it is inspired by the Dravidian style of architecture, evident in its solid lines, open spaces and characteristic curves. Lit gopurams, visible from the hills, show you the way and a Pushkarni (inspired by the temple tanks) elegantly awaits your arrival.

DINING

VARUNA

Connect with the world as you experiment with international flavours and delicacies at Varuna. The buffet alcove keeps the hustle away from the dining experience and the open layout adds to the air of warmth, oneness, and serenity, while luxurious marble table-tops give one the sense of exclusivity and privacy. Wooden panels, pastel seats, and gold accents pay tribute to Andhra culture.

SOUTHERN SPICE

The restaurant presents classics from Rayalseema, Telengana, coastal Karnataka, Chettinad and the Malabar regions to name a few. Explore the subtle flavours and relish a culinary heritage that prides itself on simple complexity. A live kitchen ups the temperature and experience.

NEERA, THE BAR

Fashioned after British watering holes of earlier days, the 36-seater Neera Bar provides an exclusive space to enjoy a catch-up or simply unwind with wines, malts, whiskies. Network, introspect, or just unwind as you enjoy the local specialties on the side.
