Weather Overview

- **Winter (Oct–Feb | 10°C–25°C):** Crisp mornings and pleasant days, ideal for travel, birdwatching and spotting leopards sun-basking on granite rocks.
- **Summer (Mar–Jun | 25°C–42°C):** Hot and dry, with greater wildlife visibility as animals gather around scarce water sources during cooler hours.
- **Monsoon (Jul–Sep | 24°C–32°C):** Moderate rains transform the rugged landscape into lush green terrain, although increased foliage can make big-cat tracking less consistent.
