The Accommodation

Grass forms the largest group of plant species in Corbett, with nearly 70 varieties – and each room at our resort is named after a grass found in the region.

1 Standard Riverview Room
5 Premium Hideaway Rooms

A cobbled pathway leads to two Premier Riverview Rooms, located within a beautifully restored, 100-year-old Kumaoni stone home. These airy, light-filled rooms – one on the ground floor and one on the first – offer spectacular views of the river and forest, each with a spacious private sit-out.

A spiral staircase behind the building leads to a wide corridor on the first floor, opening to four Premier Hideaway Rooms that overlook expansive open fields.

All rooms are:

- Non-smoking

- Furnished with 12-inch mattresses
- Equipped with 44-inch flat-screen TVs
- Air-conditioned (heating & cooling)

Under The Sky
